

JUNIOR ASSISTANT COACH AGREEMENT

Scorpion Allstars

Please read the below thoroughly.

Scorpion Allstars takes great pride in making sure our athletes receive the support and encouragement needed to succeed in furthering their cheerleading career. Our cheerleaders deserve every opportunity to be the best that they can be which the help of dedicated Coaches and Jr. Coaches can accomplish. Therefore, the following rules have been implemented:

- All coach training sessions must be attended.
- Assistants must be respectful, kind, confident, willing to learn and take on instruction, and understand a class structure.
- At no point are you able to change routines, class structures, deal with any business related things or take your role further than what it is. You are the coaches 'right hand'.
- All assistant coaches agree that their position is voluntary up until 16yrs of age when they are eligible to be credentialed. Taking on a coaching role after you turn 16 at Scorpion Allstars is NOT guaranteed.
- Assistant coaches can be removed from assisting should they not abide by the agreement.
- Assistant coach agreement is strictly between coaches and assistant coaches, All class plans, structures, business related information MUST not be released to anyone without Jessica Healey's consent.
- Assistant coaches MUST NOT talk badly of Scorpion Allstars, the staff, athletes, parents and families as well as other gyms at all. This includes on social media.

We are excited to build the best future for Scorpion Allstars within our own doors. We appreciate your willingness to learn and expand your knowledge and look forward to a positive growth.
